This image shows a blank sheet of white paper designed for writing. At the very top, there is a rectangular header area defined by a solid black border. Below this header, the rest of the page is filled with horizontal dashed lines, providing a guide for handwriting. The margins are consistent on all sides.

A diagram of a rectangular box. It consists of a large outer rectangle and a smaller inner rectangle centered within it. A dashed horizontal line runs across the width of the box, positioned between the inner rectangle and the bottom edge of the outer rectangle. This diagram likely represents a template for a box or a specific layer in a multi-layered structure.
